**“Quote of the Month”**

***Life doesn't get easier or more forgiving, we get stronger and more resilient' Steve Maraboli***

Dear Worthington Primary School Community,

As we approach the end of another bustling term, I'm delighted to share with you the wonderful happenings at our school. March has been an incredibly busy month, brimming with exciting events and activities that have enriched our pupils' experiences.

Our calendar has been packed with a diverse range of events. We've seen our pupils make a splash at the **Swimming Gala**, dive into the magical world of literature on **World Book Day**, and explore cutting-edge technology with **VR headsets** as part of our PSHE online safety lessons. The **Personal Best Festival** provided an opportunity for our children to challenge themselves, while the **Dance Festival and Let's Make Music Festival** allowed them to express their creativity through movement and melody. And who could forget our very successful **PJ day**? It was wonderful to see everyone so comfortable and ready to learn, even in their sleepwear!

It was a pleasure to welcome so many of you to our recent parents' evening, providing a valuable opportunity to discuss your child's progress and share in their achievements. Our whole school visit to the **Black Country Museum** was a particular highlight, offering our pupils a hands-on experience of history that brought their learning to life.

I'm thrilled to see so many of our children participating in the weekend **cross country events**. Their enthusiasm and dedication are truly inspiring. A huge thank you to Mr James for sourcing and purchasing the feather banner, and special thanks to all the adults who have supported these events, either by taking their children or helping out. Your commitment to our school community is greatly appreciated.

I'd also like to extend my gratitude to Mr Whitton for his diligent work in carrying out maintenance jobs around the school. These efforts, often unseen, play a crucial role in maintaining a safe and pleasant learning environment for our pupils. Looking ahead, we have some exciting events to round off the term. Class 3 will be honing their navigation skills with **orient-eering**, and we're looking forward to a visit from Amanda Hack regarding the Breakfast Club, which will be starting in the summer term. Don't forget our upcoming **dress-down day** - a chance for everyone to relax a little as we approach the holiday.

For parents of Class 2 pupils, please note that **swimming lessons** will commence on Wednesday afternoons from the first week back after the break. As always, I'm immensely proud of our pupils' achievements and grateful for the continued support of our school community. Your involvement and enthusiasm make Worthington Primary School a truly special place. Wishing you all a restful and enjoyable break. *Mrs Clark*

**Attendance**—well done for their excellent attendance last term.
