Dear Parents,

Welcome to the new school year. I hope that you have had a lovely summer with your children and that they are well rested and ready to begin the new academic year.

We would like to offer a warm welcome to **Makenzi, Harlen, Elizabeth and Hargan** who join us in Reception. We would also like to offer a very warm welcome to **Miss Warrington**, who is the teacher in Class 1 and **Mrs Watson**, who is a student teacher in Class 3.

Everybody looks very smart and grown up in their school uniform, please may I remind you to label everything, as this really does help us ensure the clothes are returned to the correct child.

A huge thank you to everybody for a wonderful start to the new year. All the children seem very settled and calm. It was lovely to see all the children playing together at break time and displaying our school values so well.

It is fantastic to see so that so many parents have signed up to WEDUC, this is vitally important, as all communication will be through this app. You are able to contact any staff member using the messaging through the app and keep up to date with all communication from school. DOJO is used to see your child's reward points throughout the day.

Next week, each class will hold the school council elections, we look forward to seeing who will be on this years school council.

The Friday celebration assembly will still take place each Friday, so if your child/ren receives a certificate for an achievement outside of school then please can they let their teacher know, so we can celebrate their success.

A reminder that we have a free breakfast club in school from 8.15am everyday

Please can I remind you to park sensibly around the school grounds. Please do not park on the Zig Zag lines or block the driveway of our neighbours.—Thank you.

Please can all children have a named water bottle in school everyday.

We are a **healthy nut free school**, so children are only allowed Fruit and vegetables as a break time snack. Please ensure **no nuts** are in packed lunches or break time snacks.

Thanks

Mrs Clark

Reception Baseline

During the next few weeks, we will be conducting reception baseline assessments. The following links is a video for parents which has been produced by the standards and testing agency.
