“Quote of the Month”

‘To the world you may be one person, but to one person you are the world’

Dear Parents,

What a super start to the year. Our Year 5 and 6 pupils had an incredible experience at Whitemoor Lakes, demonstrating our school values with outstanding commitment and enthusiasm.

Thank you so much to everybody who supported the **Macmillan coffee morning**. We received so many delicious cakes and it was lovely to see the hall full of parents, carers and grandparents. We raised an amazing £287.05. Thank you!

As a school we are currently working hard to develop our focus for next years’ development plan based on analysis of data and monitoring and evaluating to identify our priorities. A pictorial overview is attached.

We have registered with Cauliflower cards again. We plan to create our Christmas cards in the next few weeks. You will get to see your child’s design and then order the Christmas cards online, which will then be available from the beginning of December. **Please could these be returned before Thursday 16th October** as they are being collected during half term.

We have appointed the school council. We had our first meeting last week and they have lots of lovely ideas. I was incredibly proud of their support and help during the Macmillan coffee morning.

I have been impressed with the great reading I see/hear as I walk around the school. Reading everyday is so important for children’s development. Please let us know in the diary when you hear your child read as this really helps us with our planning and monitoring of their reading development. Every child that reads 3x a week gets their name put into the reading Challenge box for a chance to win a wonderful trip.

On **Wednesday 15th October** we will hold an **open morning** for parents and children looking to start school next year. Please tell friends and family about our wonderful school and the open morning.

Our fantastic PTFA are planning exciting events this year, including film night and a delightful hot chocolate stall after school.

Please may I remind everybody to park considerately. Please do not block our neighbours drive ways. Thank you!

We would like to thank the following people for their help this month.

- Thank you to everybody who came to the Macmillan coffee Morning. We raised £287.05
- Thank you School Council for all your help running the coffee morning.
- Thank you all for the wonderful cakes.
- A big Thank you to Mrs Pester and Dianne for taking the children to Whitemoor Lakes.

Healthy Eating School

Please can I remind everybody that we are a Healthy Eating school, so snacks at playtime, should be fruit, vegetables or a similar healthy snack. **No chocolate or crisps please.** The children in KS1 have a choice of fruit everyday, and if we have extra, then KS2 children can help themselves.

Only **one sweet snack** in the lunchboxes, such as a small cake. Thank you
